

kept in good condition until the appeal grading is performed.

(d) Overwraps on frozen poultry or rabbits shall be removed from all birds or rabbits in the sample prior to appeal grading for quality or to determine the class.

(e) When the appeal is based on grading or class determination factors, each frozen carcass shall be defrosted prior to conducting the appeal grading. Whether defrosting poultry or rabbit carcasses for other types of appeals will be required by the appeal grader, will depend upon the reason for the appeal.

§ 70.106 Appeal grading certificates.

Immediately after an appeal grading is completed, an appeal certificate shall be issued to show that the original grading was sustained or was not sustained. Such certificate shall supersede any previously issued certificate for the product involved and shall clearly identify the number and date of the superseded certificate. The issuance of the appeal certificate may be withheld until any previously issued certificate and all copies have been returned when such action is deemed necessary to protect the interest of the Government. When the appeal grader assigns a different grade to the lot, the existing grademark shall be changed or obliterated as necessary. When the appeal grader assigns a different class or quantity designation to the lot, the labeling shall be corrected.

**SANITARY REQUIREMENTS, FACILITIES,
AND OPERATING PROCEDURES**

§ 70.110 Requirements for sanitation, facilities, and operating procedures in official plants.

(a) The requirements for sanitation, facilities, and operating procedures in official plants shall be the applicable provisions stated in 9 CFR part 381 for poultry, and for rabbits the requirements shall be the applicable provisions stated in 9 CFR part 354.

(b) With respect to grading services, there shall be a minimum of 100-foot candles of light intensity at grading stations; and acceptable means, when necessary, of maintaining control and identity of products segregated for quality, class, condition, weight, lot, or any other factor which may be used to distinguish one type of product from another.
